

Sun Safety Kit Evaluation Form

Parks & Recreation Programs

Please complete and fax or mail in this evaluation form by _____, but not before your facility has implemented the kit for at least two months. We encourage you to ask a representative group of employees for input before completing the form. Your feedback will tell us if the kit is effective and will provide direction for revising the kit. For questions contact _____ at _____ or at _____

Date:

Facility Name:

Person Completing Form:

Mailing Address:

Telephone Number:

E-mail Address:

A. On approximately what date did your facilities begin using the sun-safety kit?

_____ (MM/DD/YY)

B. Approximately how many employees received or were shown items in the kit?

_____ employees

C. On a yearly basis, approximately how many children and adolescents (combined) participate in outdoor activities provided by your facilities?

_____ children and adolescents

D. How often do staff encourage children and adolescents to practice sun safety as they engage in outdoor activities provided by your facilities?

1 2 3 4 5
Not often Frequently

E. On a yearly basis, approximately how many adults participate in outdoor activities provided by your facilities?

_____ adults

F. How often do staff encourage adults to practice sun safety as they engage in outdoor activities provided by your facilities?

1 2 3 4 5
Not often Frequently

Most items in the sun-safety kit are listed below, each followed by questions pertaining specifically to that item. Please circle or write your answers as indicated.

G. Item: “Cover Letter”

1. How clear were the instructions on how to use the kit?

1 2 3 4 5
Not clear Very clear

H. Item: handout – “Sun Safety: What Parks and Recreation (P&R) Staff Should Know”

1. How clear and effective was this handout in describing the specifics of skin cancer?

1 2 3 4 5
Not clear Very clear

2. How would you improve the handout? What information was missing or not clear?

I. Item: handout – “Skin Cancer Testimonials”

1. How much did the testimonials seem to increase employee interest or commitment to practice sun-safety behaviors?

1 2 3 4 5
Very little Greatly

J. Item: quiz – “Quiz: Understanding Skin Cancer”

1. Approximately how many employees took the quiz?

_____ employees

2. How many got at least 12 of the 14 questions correct the first time they took it?

_____ employees

K. Item: handout – “Parks & Recreation: Sun Protection Policy Guidelines”

1. How understandable were the guidelines?

1 2 3 4 5
Not understandable Very understandable

2. Describe what your facilities have recently done or are about to do to add sun-safety concepts/language into your operational guidelines, manual, or policy?

3. If available, please enclose a copy of the page(s) in your policy manual that address(es) sun safety.

L. Item: both “Ultraviolet Count...” charts

1. How well did the two ultraviolet charts increase awareness that UV concentrations are greater from March through October and from 10 a.m. to 4 p.m?

1 2 3 4 5
Not effective Very effective

M. Item: poster – “Everyone Needs Sun Safety”

1. How well did the poster reinforce and promote sun safety?

1 2 3 4 5
Not effective Very effective

2. How would you improve the poster in terms of wording or pictures?

N. Item: poster – “UV Rays Hurt Many Ways”

1. How well did the poster reinforce and promote sun safety?

1 2 3 4 5
Not effective Very effective

2. How would you improve the poster in terms of wording or pictures?

O. Item: poster – “Can You Spot a Killer?”

1. How well did the poster reinforce and promote sun safety?

1 2 3 4 5
Not effective Very effective

P. Item: poster – “Protect Your Most Important Assets”

1. How well did the poster reinforce and promote sun safety?

1 2 3 4 5
Not effective Very effective

Q. Item: video – “Sun Safety for Outdoor Workers”

1. How well did the video reinforce and promote sun safety?

1 2 3 4 5
Not effective Very effective

2. How would you improve the video in terms of content or images?

R. Item: brochure – “The ABCDEs of Melanoma”

1. How well did this brochure raise awareness about the importance of sun safety?

1 2 3 4 5
Not effective Very effective

S. Which kit materials did you give or send home to parents?

1. List the materials.

2. Describe the response you received from parents.

T. Item: kit icons. Most of the items in the kit include six icons, or pictures, that incorporate the phrases below. Please rate each icon:

	Not effective			Very effective	
1. "Protect the skin you're in!"	1	2	3	4	5
2. "Wear a hat!"	1	2	3	4	5
3. "Cover up!"	1	2	3	4	5
4. "Wear UV-protective sunglasses!"	1	2	3	4	5
5. "Seek shade!"	1	2	3	4	5
6. "Put on sunscreen!"	1	2	3	4	5

7. What are your suggestions for improving any or all of these icons?

U. Item: kit box

1. The sun-safety kit components were packaged in a **box**. How attractive and appropriate were the pictures/layout on the box for representing the sun-safety materials inside?

1	2	3	4	5
Not attractive/ appropriate		Very attractive/ appropriate		

2. What other pictures, if any, would you suggest for the box to improve its impact and effectiveness?

V. Item: overall kit with its materials

1. Please rate the kit's overall appeal and effectiveness in increasing awareness and practice of sun-safety behaviors.

1	2	3	4	5
Poorly done		Excellent		

2. Describe any new components you believe should be added to the kit to improve its use and effectiveness.

3. How many employees report/demonstrate they have begun to practice at least one new sun-safety behavior (using sunscreen, wearing a hat – neck flap, long clothes, etc.) after using the kit?

_____ employees

W. On average, to what degree were employees practicing sun safety on the job **BEFORE your facility received the sun-safety kit?**

1	2	3	4	5	6	7	8	9	10
No sun safety							Practiced much sun safety		

X. On average, to what degree are employees now practicing sun safety on the job **SINCE your facility began using the sun-safety kit?**

1	2	3	4	5	6	7	8	9	10
No sun safety							Practice much sun safety		

Y. Please review the following list of sun-safety kit materials. (The titles or descriptions are abbreviated.)

1. CIRCLE the **three** items that were most helpful for promoting sun safety.
2. CROSS-OUT the **three** items that were least helpful for promoting sun safety.

"Sun Safety: What . . . Staff Should Know"	"Quiz"	
"Sun Safety Summary"	"UV Count Charts"	
"Policy Guidelines"	"Parent Letter"	"Video"
"Melanoma Brochure"	"Sun Safety Announcement"	
"Protect Assets Poster"	"Everyone Needs Safety Poster"	
"Spot a Killer Poster"	"Testimonials"	"Stickers"
"UV Rays Hurt Poster"	"Bookmarks"	"Notepads"
